## MUDRUNNERS GIVEN FIRST TRYOUT OF MEETING

Despite the Heavy Sledding,  
Veracruz Selling Stakes  
Race Proves Thriller.

Mudrunners had their tinning at Terrazas park Thursday, the first chance they have had since the race meeting opened. The rain started just as the horses were going to the post for the first race, and had the going groggy by post time for the fourth race. In spite of the heavy sledding, the Veracruz selling stake race proved a whirlwind in the final judgment. Jacolina, Dorante and John Louis were the candidates for the honors. In this race jockey Molesworth, recognized as the best of the boys at the track, was forced to surrender to little Van Dusen, lately arrived at the park and riding out his first week.

Van Dusen, on Jacolina made his move at exactly the right time, after laying off in the early part of the race. The finish was a heart-breaking one from the final turn, but Van Dusen kept his head with him and outgassed the Dorante horse in the judgment. Jacolina laid behind the two others until the far turn when Van Dusen opened up and pushed his mount alongside the others and they went for a three column finish. Dorante was unable to hold out against the fast moving Jacolina in the dual to the finish. Louis could not hold the final pace and dropped back to third position in the final furlong.

**First Race Ragged.**  
The first race was a ragged exhibition with Boana winning under such conditions. Boana was running well out in front during the first part of the race but was stopping the an end. He crossed over in front of Pit-a-pat at the head of the stretch causing Rettig to pull up. The jockey claimed a foul, but it was not allowed by the judges. Pit-a-pat was coming strong at the finish but lost the chance in the mix-up. Count De Oro was third. Sempronium a third in the second race had the race in command all the way and won with ease from Little Marchmont, which ran a gamut race after a bad beginning. Sterlin was rated in front all the way and had little difficulty in beating Mockler, which showed a new life and ran a good race Thursday. Flying Wolf ran out on the turn for home and lost what chances he had to win out.

**Execute Takes Fifth.**  
Execute put the death sign on Chapultepec and the others in the fifth race. Execute turned down the barrier break for first place and laid in behind the pacemakers, until the stretch turn was passed when he moved up and beat Chapultepec which ran a good race and hung on to the finish. Fred Mulholland, the old distance horse, ran his usual heavy race under the management of Rettig in the final event, a one mile selling race. Mulholland let the others do the race in the early part, came on at the turn for home and put it over Light Wool which had done all the work up to that point. The Peer ran a steady race but could not get up.

### HEROIC SAILOR SAVES A SHIP

Norfolk, Va., Dec. 15.—Fire partially destroyed the steamer Maryland, of the New York, Philadelphia and Norfolk railroad, last night and 300 passengers had a narrow escape from injury or death.

The Maryland left Norfolk for Cape Charles, thirty minutes later, a deck hand discovered fire among some bags of cotton in the freight hold.

Mate Porter attempted to extinguish the fire, but had to be hauled to safety with a rope.

Eight United States sailors, passengers on the steamer, prevented the complete destruction of the vessel. Sailor Stone lung over the side of the steamer while several companions held his feet.

With his hands he burst a window leading to the freight hold and turned a stream of water on the fire. Stone held that position for 15 minutes, while the Maryland was racing with all speed for Sewall's point to discharge her passengers. The greatest damage was done amidships, where the fire started. The flames reached the upper cabin and the walls of some staterooms were scorched.

A dozen tug boats responded to the Maryland's distress signals and in a short time had streams turned on the blaze. The steamer Pennsylvania rushed out from Norfolk. She took off the passengers of the Maryland and proceeded to Cape Charles.

### HONORS EVEN IN FIGHT.

New York, Dec. 16.—Tommy Murphy, a New York lightweight, fought "Pal" Moore, of Philadelphia, to a finish last night in a 10 round fight. The honors were even in the early rounds, but in the last two Murphy had Moore clinching at the bell.

### ST. LOUIS AND BOSTON TEAMS SELL

Baseball Magnates Approve  
The Transfer of Two  
Big Teams.

New York, N. Y., Dec. 16.—"Ben" Adkins, water commissioner of St. Louis; Mark Ewing and his brother, composing the St. Louis stock brokerage firm of Ewing Bros. and Messrs. Hall and Hodgden, prominently identified with St. Louis interests, are the principals in the syndicate which will probably purchase the controlling interests in the St. Louis American league baseball club from Robert Lee Hedges.

A special committee representing the American league will ascertain the standing of the new candidate for membership. If all is satisfactory, Hedges will be authorized to sell. Fielder Jones may become manager of the club. Jones is now operating a fruit farm in Oregon, and last year resided to play for Chicago, because the money offered was not sufficient.

Hedges today said that the syndicate that would probably take over his holdings purposed to put in a winning team, or a first division team, at any cost.

The American league finished its business promptly yesterday and dispersed, but the National league meeting will continue tomorrow.

The purchase of the Boston Nationals will probably be consummated by Saturday. Part payment has already been made by W. Heyburn Russell and his associate, L. C. Page, a millionaire Boston publisher, but the agreement was that Harris should retain ownership of the club until after the present league meeting. As soon as the meeting is over the club will formally change hands.

Mr. Russell said that Fred Tenny would manage the team next season, and would play first base, if his legs permitted.

"No club will sell at any price a good player," said Mr. Russell, "therefore we must develop our own. We will devote all of our energies and our capital to giving Boston a winning team."

Besides approving the retention of the present classification of the Western and Third leagues, the National league decided to call all umpires into New York to have their eyesight examined.

President Garry Herrmann, of Cincinnati, is endorsed for chairman of the national committee. Today the National league expects to take important action on a number of cases.

Willie Keeler, the crack outfielder, recently secured by the New York Nationals from the New York Americans, was sold today to the Toronto club of the Eastern league. Wilkesbarre purchased shortstop Cranston from the Denver club.

### ANDERSON MAY BE GIVEN ANOTHER CHANCE WITH REDS

Wingo Anderson may be given another chance to make good with the Cincinnati Reds next season. Fly Carson has received a letter from Wingo, who is over in east Texas, in which he says that he has heard from Garry Herrmann, owner of the Cincinnati club, regarding the native son pitcher.

Garry was considering Anderson's sale to one of the coast minor leagues, but Anderson has written to him asking for another chance to make good with the big league team next year. Anderson is resting and getting in condition for his work next year and expects to make more than good in fast company.

### Five Dollars a Box

The Price Cut No Figure With Him.

"I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and

a cure every time. Five dollars a box would not stop my purchasing them should I ever suffer again as I did for a week before using them.

"The one 50 cent box I bought at my druggist's did the work and my digestion is all right again."

"Many of my neighbors have also tried these tablets and found them to be just as represented and Mr. Ellms also wants me to use his name in endorsing Stuart's Dyspepsia Tablets."

Signed,

A. Ellms and Chas. F. Buzzell,

Asst. Postmaster,

South Sudbury, Mass.

Writes: "For eighteen months I suffered from what I supposed was bladder and kidney trouble, and took medicine from three different doctors, without any sign of cure. I felt as ill as last I was hardly able to do my work."

"I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia, but after only three or four tablets had been taken all the acid trouble disappeared and then I discovered I had acid dyspepsia, while the doctors had been treating me for kidney and bladder trouble and one of them treated me for rheumatism."

"My digestion is fine, my complexion clear and I am able to do my work and low spirits are unknown to me."

"I am thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets. I am surprised at the change they have made in me."

All druggists sell and recommend Stuart's Dyspepsia Tablets because they contain only the simple natural

digestives, and taken after meals prevent acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are as safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels and every form of stomach derangement.
